Salzburg

The **arte hotels** in **Salzburg** and **Linz** are characterized by a modern, design-oriented and urban appearance. Their central locations, strong focus on art and culture, and different seminar facilities make them attractive destinations for both leisure and business travelers. The rooftop terraces, bars and lounges, as well as wellness and fitness areas, also reflect the combination of modern architecture, art and a diverse range of events.

ATLANTIC Hotel Heidelberg

ATLANTIC Hotel Airport

The **ATLANTIC Hotels** combine business travel with relaxation and leisure. The 4-star hotels in **Frankfurt**, **Bremen**, **Bremerhaven**, **Kiel**, **Wilhelmshaven**, and **Heidelberg** impress with their attractive locations, high level of comfort, and comprehensive service. In addition to traditional hotel accommodations, the properties offer modern and individually designed conference and event spaces that are ideal for conferences, meetings, and events. The hotels' convenient locations also provide easy access to key business districts and the cities' cultural attractions. The experience is rounded out by the hotels' own restaurants, bars, and lounges. Sustainability is another integral part of the hotel concept and is reflected, among other things, in their GreenSign certifications.
